

2-minute Remote Poster Video Presentations

- The meeting will be broadcast using WebEx (link to be provided at a later date)
- No live presentations will be allowed for these presentation, you must pre-record your contribution as a video and submit it in advance of the scheduled presentation time-slot
- The poster 2-minute video presentations will be restricted to 2 minutes or less. This length will accommodate video transitions.
- Presentations will all be shown from a facility computer. Both a PC and a Mac are available from the podium. The 2-minute remote poster video presentations will start at 5 PM MDT on Monday, Tuesday, and Thursday prior to the end-of-day poster sessions.
- Please title your in-person presentation with your last name, session number, abstract number, and presentation date
LastName_SX_###_2024-07-DD_2min.pptx ← include the 2min designation.
 - Examples: Newman_S1_0888_2024-07-15-2min.pptx
- The 2-minute remote poster video presentations should be output to video: .mp4 or .mov, 1920 x 1080 resolution.
- Videos should be in landscape mode (16:9 or 4:3)
- Avoid small unreadable fonts (generally no smaller than 28 pt), and use bold fonts (Arial, Helvetica, Calibri). Avoid serif fonts like Times New Roman.
- Upload your presentation to the drop box when finished **at least 24h prior to you presentation** :
<https://www.dropbox.com/request/xOOQdPlqn7KqTwZ4xBn1>
- The 2-minute poster presentation videos will be available on a Vimeo web site during the meeting.
- *In addition to these 2-minute videos on Vimeo, additional remote poster material can also uploaded to the Vimeo site (e.g., poster PDFs, longer-length videos, PPTs, etc.). This Vimeo web site will be publicly available for a few months following the meeting. Any supplemental material should be named as above, but with an additional “_supplement” appended to the end of the title.*
